VOLUNTEER TASKING

Rescue tasking

I am able and willing to rescue sick or injured native fauna? Yes No

I acknowledge that Wildcare's fauna rehabilitation licence requires Wildcare to approve that I am suitably qualified to hold a current authority-to-operate for wildlife rescue purposes. Yes No

My general availability for rescue tasking is (tick one):

- All or most times of the day or night
- After normal business hours (8AM-6PM) and all or most times on weekends and public holidays
- All or most times on weekends and public holidays only

My preferred area of operation for rescue tasking (eg. Bungendore+25km) is:

At this stage of my training and experience, I am available and willing to rescue the following fauna:

Macropods

- Pinkies Pouched-young Sub-adult Large macropods (special training required)

Wombats

- Pinkies Pouched-young Sub-adult Adult

Small mammals

- Possums and gliders
- Pinkies Pouched young Sub-adult Adult
- Bats (special training and Lyssavirus vaccination required)
 - Microbats Flying-foxes
- Echidnas Rakali & other native rodents Koalas (special training required)

Birds

- Baby birds Adult birds Large raptors (special training required)

Reptiles

- Lizards Turtles Monitors (special training required)
- Snakes (special training required)

Rehabilitation tasking

I am willing to rehabilitate sick or injured native fauna? Yes No

I acknowledge that Wildcare's fauna rehabilitation licence requires me to qualify on the relevant species course or courses, and for Wildcare to approve that I am suitably qualified to hold a current authority-to-operate for wildlife rehabilitation purposes.

Yes No

After appropriate training and/or experience, I am available and willing to rehabilitate the following fauna:

Macropods

'Pinkies 'Pouched-young 'Sub-adult 'Large macropods
(special training and facilities required)

Wombats

'Pinkies 'Pouched young 'Sub-adult 'Adult (special facilities required)

Small mammals

'Possums and gliders

'Pinkies 'Pouched young 'Sub-adult 'Adult

'Bats (special training and Lyssavirus vaccination required)

'Microbats 'Flying-foxes

'Echidnas 'Rakali & other native rodents 'Koalas (special training and facilities required)

Birds

'Baby birds 'Adult birds 'Large raptors (special training and facilities required)

Reptiles

'Lizards 'Monitors (special training required) 'Turtles 'Snakes (special training required)

Euthanasia-by-firearm tasking

Most euthanasia-by-firearm tasks involve injured or sick macropods and wombats.

I am willing to humanely euthanise severely-injured or ill native fauna using a firearm? Yes No

If no at this stage, you do not need answer any further questions in this section but may do so if you choose.

If yes, I acknowledge that Wildcare's fauna rehabilitation licence requires me to qualify on the euthanasia-by-firearm course, undertake refresher training every two years, hold a current and suitably-endorsed NSW Firearms Licence, and for Wildcare to approve that I am suitably qualified to hold a current authority-to-operate for wildlife euthanasia purposes:

Yes No

I acknowledge that on completion of the euthanasia-by-firearm course I will be qualified to undertake basic rescues, and that every task involves an assessment of the animal to determine whether rescue or euthanasia is the humane priority:

Yes No

I hold, and will continue to hold, a current NSW firearms licence: Yes No

If yes, does it have "animal welfare – animal handler" listed as a genuine reason for holding the licence?

Yes No

I do not hold a current NSW firearms licence but am willing to apply for one: Yes No

I currently own a registered firearm suitable for euthanising native wildlife: Yes No

I do not currently own a firearm but am willing to procure one for wildlife euthanasia: Yes No

My general availability for euthanasia-by-firearm tasking is (*tick one*):

'All or most times of the day or night

'After normal business hours (8AM-6PM) and all or most times on weekends and public holidays

'All or most times on weekends and public holidays only

My preferred area of operation for euthanasia-by-firearm tasking (eg. Wamboin+30km) is:

Operational-Support tasks

I am available and willing to help Wildcare in one or more of the following operational-support roles:

- 'Helpline team staffing the shifts that answer public calls to our 24/7 telephone number
- 'Fauna transport team (eg. moving fauna from rescuer to rehabilitator or between rehabilitators)
- 'Logistic-support team (eg. equipment purchase and distribution, asset control, Wildcare shop, etc)
- 'Training-support team (eg. helping with course organisation, audio-visual, catering, etc)
- 'Operational planning team (eg. preparing for or refining how Wildcare best undertakes its activities)
- 'Emergency & disaster planning team (eg. wildlife relief or rescue during drought, bushfires, floods, etc)
- 'Emergency and natural-disaster support team (eg. distribution of food and water to wildlife)
- 'Standard Operating Procedures (SOP) development team (eg. research, surveys, testing, editing, etc)

Organisational-support tasks

I am available and willing to help Wildcare in one or more of the following organisational-support roles:

- 'Corporate administration team (eg. Secretary, clerical help with incorporated-association functions, etc)
- 'Financial administration team (eg. Treasurer, internal audit, etc)
- 'Strategic business planning team (eg. helping develop Wildcare's capacity to grow and thrive)
- 'Public affairs team (eg. Instagram, articles for newspapers, local newsletters and social media)
- 'Public education team (eg. helping local communities to understand and care for native wildlife)
- 'Website team (eg. assisting Wildcare's webmaster, graphic design, photography, etc)
- 'Fundraising team (eg. researching wildlife grants and sponsorships, staffing market-stalls, etc)
- 'Sewing team (eg. making small joey bags, at-foot joey bags, animal pouches, snake bags, etc)
- 'Woodwork team (eg. making nesting boxes, possum boxes, travel cages, etc)
- 'Construction team (eg. building animal enclosures, aviaries, release cages, animal shelters, etc)
- 'Something else you can help with. Please advise: _____

MEMBER DECLARATION

- I agree to be bound by Wildcare's constitution, by-laws, policies and procedures, and by NSW wildlife laws and the regulations, codes, policies and Wildcare licencing conditions required under them.
- I acknowledge that any authority-to-operate issued to me under Wildcare's fauna rehabilitation licence is dependent on my adherence to the above by-laws, licence conditions, policies, procedures, regulations and codes, and can be revoked or have conditions placed on it at Wildcare's discretion.
- I agree to undertake all required qualification and refresher training.
- I acknowledge that I may have to handle or be close to native wildlife during any training course or the rescue, rehabilitation, release or euthanasia of any animal or bird.
- I acknowledge that native fauna are wild, unpredictable and potentially dangerous, that accidents can occur when working with them, and that I need to exercise due care so as not to endanger myself or others during training or during any rescue, rehabilitation, release or euthanasia of native wildlife.
- I declare that the information I have provided in this form is true and correct.
